AMENDMENT

Sir:

This is in response to the Office Action dated July 26, 2006 in regard to the above-referenced application. In response thereto, please amend the application as follows:

In The Claims

Please amend the Claims as follows:

1. (Currently Amended) A method comprising:
 - (a) selecting an object displayed in an EPG;
 - (b) progressively modifying an a non-textual attribute associated with the object by an incremental amount for each of at least more than two times that the object is selected, wherein modification of the attribute occurs at least more than two times in a common direction and each change in the attribute is a
